PROFESSIONAL DETERGENTS

FOOD INDUSTRY

FLICK	BLITZ	FLASH	SANIX
<p>CAUSTIC DETERGENT USED BY FOAMING LANCE</p> <p>Caustic detergent used by foam lance specifically made for the food industry like abattoirs, processing plants, poultry plants and stainless steel equipment.</p>	<p>CHLORINATED FOAMING LIQUID CAUSTIC DETERGENT</p> <p>Chlorinated foaming liquid caustic detergent aimed to the cleaning of machines, self-cleaning ovens, work surfaces, equipment. Generates a dense and stable foam adhering to the surfaces, even vertical ones, granting a long lasting cleansing and sanitizing action.</p>	<p>ACID DETERGENT USED BY FOAMING LANCE</p> <p>Acid-based detergent aimed to the safe removal of milk-stone, casein deposits, egg-stone and other deposit films, in the food industry.</p>	<p>UNSCENTED CONCENTRATED SANITIZING DETERGENT</p> <p>Calibrated mixture of surfactants, mineral salts and quaternary ammonium salts. It allows at the same time a cleaning, sanitizing and deodorant action.</p>

TRAIN MAINTENANCE

AIR 85 PN	BRIX EXTRA	TRANSP CLEANER	SANIX FS
<p>NTA FREE, SCENTED DEGREASER</p> <p>Scented degreaser used manually, hot or cold with steam lance. It removes oil, grease, dust, dirt from all surfaces.</p>	<p>NON-FOAMING CAUSTIC DEGREASER</p> <p>Non-foaming caustic degreaser used by spraying or immersion. It is phosphates free.</p>	<p>ACID LIQUID DETERGENT FOR EXTERNAL STRONGCLEANING</p> <p>Liquid phosphoric acid-based detergent for strong cleaning. It removes traffic dirt, brake residues and oxidation from the treated surfaces. Used manually or by automatic systems.</p>	<p>SCENTED CONCENTRATED SANITIZER FOR TRAIN COACH INTERIORS</p> <p>Detergent, sanitizer and deodorizer for floors, walls, toilets, equipment, waste collection bins, etc. It removes dirt, grease, deposits and soap stains. It is effective both in cold and hot water as well as in hard water.</p>

VEHICLE-WASH

AIR YELLOW	NODORWASH	AIR 19 HN
<p>VEHICLE BODY AND UNDERBODY WASHING</p> <p>Strong liquid detergent, safe on all painted, non-painted, metallic and plastic surfaces. It is an alkaline foam-controlled formula, used for the removal from metals and plastics of dust, oily protective films, grease, light carbon deposits and smog pollution.</p>	<p>ODORLESS FOAMING DETERGENT FOR VEHICLE WASHING</p> <p>Concentrated foaming odorless detergent studied for the prewash of cars, trucks bodies, transport vehicles inside indoors areas.</p>	<p>NON-FOAMING DETERGENT FOR PRESTIGIOUS VEHICLE WASHING</p> <p>Super-concentrated strong degreaser aimed to remove oil, grease, dust, dirt from all surfaces. It is particularly suitable for the cleaning of stainless steel and metal parts.</p>
PREWASH HD	PREWASH 186	LAVMOTOR
<p>MONOPHASE STRONG CLEANER FOR VEHICLE PRE-WASH</p> <p>Concentrated foaming detergent, designed for strong external prewash of motor vehicle bodies, trucks, transport vehicles, public buses.</p>	<p>MONOPHASE CLEANER FOR VEHICLE PREWASH</p> <p>It plays very strong action for the removal of oil, grease, pollutants, road traffic from painted and unpainted surfaces of vehicles.</p>	<p>ENGINE COMPARTMENT WASH</p> <p>Concentrated water-based pleasantly scented detergent aimed to the cleaning of the engine compartment.</p>

BUILDING MAINTENANCE

RIMOX GRAF A	RIMOX GRAF S	PULIPIETRA BASE
<p>WATER BASED GEL GRAFFITI REMOVER</p> <p>Water-based low odour gel for removing writings and graffiti from stone and concrete building surfaces. It does not contain chlorinated solvents, petroleum solvents, phenols, chromates, ammonia, amines, organic or inorganic acids.</p>	<p>SOLVENT BASED GEL GRAFFITI REMOVER</p> <p>Solvent-based gel for the removal of writings and graffiti from stone and concrete building surfaces.</p>	<p>ALKALINE GEL CLEANER FOR BUILDING SURFACES</p> <p>Viscous gel detergent for cleaning and maintenance of concrete and stone facades.</p>
RIMOX MUFFA	TF SPECTRUM	PULIPIETRA ACID
<p>MOULD REMOVER</p> <p>Liquid detergent for the removal of moulds and algae from porous surfaces where the stagnation of water and moisture enable their proliferation.</p>	<p>SUPER-CONCENTRATED SANITIZER FOR RESTORATION</p> <p>Super-concentrated sanitizer for restoration to be applied with low-pressure systems.</p>	<p>ACID-BASED GEL DETERGENT FOR BUILDING SURFACES</p> <p>Viscous gel detergent for the cleaning and maintenance of concrete and stone facades.</p>

FLOOR CLEANING

LIND	BRIX	HOPENET L / P
<p>FAST EVAPORATION SCENTED DETERGENT FOR FLOOR CLEANING</p> <p>Fresh scented, concentrated, non-foaming, alcohol based detergent for floors. Used manually or by sweepers. It leaves no residual on the mechanical parts, does not produce cavitation. It ensures a sanitizing action on tank residuals.</p>	<p>CAUSTIC CONCENTRATED DETERGENT FOR FLOOR DEGREASING</p> <p>Concentrated, caustic, ordoless detergent designed to clean cement, hard floors inside workshops, plants, public areas. It can be used manually and by sweepers.</p>	<p>LOW-FOAMING LIME/PINE SCENTED DETERGENT USED BY SWEEPERS</p> <p>Concentrated lime/pine scented multipurpose detergent for cleaning floors. Designed to be used by sweepers. It does not generate foam avoiding pump cavitation and prevents the formation of unpleasant odors in the tank.</p>

PRESSURE WASHER MAINTENANCE

ECOCLEAN
<p>DISPERSING ADDITIVE FOR HARD WATER</p> <p>Liquid additive used to prevent the formation of calcareous deposits in the heat exchangers, piping, and in all equipment where it is contained hard water. It can be used as an anticorrosive agent.</p>
